

this is pure garbage

---

**FAZTASTIC!**

Me walking out of the  
FnaF movie after  
Freddy says "It's over William  
you springed your  
last trap"

# COMP1511 Week 10!

H13A: 1pm – 4pm

Tutors: Me + Vivian +  
Zac + Lucas

# The Agenda

## Week 10 Vibes (10 mins)

they said COMP1511 would be easy-peasy lemon-squeasy, but it was difficult difficult lemon-difficult

- Any specific questions?
- Favourite parts of the term?
  - What went well?
  - What didn't go well?
  - Who/What/Why are you grateful for?

## ass2 Final Tips (10 mins)

### **PLEASE START ASSIGNMENT 2 IF YOU HAVEN'T**

- PLEASE USE FUNCTIONS FOR DUPLICATE CODE
- PLEASE LEAVE COMMENTS FOR LONG CODE
- PLEASE USE PRINTF STATEMENTS TO DEBUG
- PLEASE TRY MANUALLY RUNNING YOUR PROGRAM
- PLEASE SEPARATE THE COMMAND LOOP INTO ANOTHER FUNCTION
- PLEASE TRY WEEK 8-9 LABS BEFORE ASSIGNMENT
- ASSIGNMENT 2 IS DUE FRIDAY @ 8PM

## Revision Kahoot (20 mins)

Let's Kahoot!

# Kahoot!

## 1511 COMPetition (20 mins)

Let's do the 1511 COMPetition!

**Kahoot!**

# Let's do the 1511 COMPetition!

---

<https://shorturl.at/cfoO4>

# 1511 COMPetition instructions

---

1. Please pick a team name, and put it in column I.
2. When you have an answer, put it in the "answers" column, and your team name in the "Team Claimed" column.
3. ***Do not overwrite existing answers.*** If you think another team has answered wrong, enter your team-name in the "Complaints" column, and your tutor will resolve the issue.
4. When you're writing a code solution, copy/paste it into [pastebin.com](https://pastebin.com) or a similar service, then copy the link into the spreadsheet.
5. To press Enter in Excel, press "Alt + Enter"

# VSCode Shortcuts

---

- Start with Ctrl+Shift+P
  - "Toggle Multi-Cursor Editor"
  - Convert text casing: (highlight text) → Ctrl + Shift + P → "Transform to ..."
- Multiple Cursors: Ctrl + Click anywhere
